Annie Bird,
Grahame Russell,
Co-Directors Rights Action

Dear Ms Bird and Mr Russell:

It is understood Rights Action is leading an educational tour to the communities near the Marlin mine in the department of San Marcos sometime during the period of April 12 to 17, 2009.

The Steering Committee for the Human Rights Impact Assessment of Goldcorp Inc. operations in Guatemala would like to provide your tour participants an opportunity to gain an understanding of the HRIA process and objectives and, accordingly, invite them to meet with our assessment team, On Common Ground, while in the area.

If you would advise me of a preferred date we will be more than willing to ensure the assessment team is available to meet with your group.

Yours,
